

# *Always Faithful Ever True*

*By Andrew Chinn and the community of St Patrick's Stawell*

**Always faithful, ever true**

**Christ at the heart of all that we do**

**Like the shamrock together we're one**

**One in our faith, One in God's love**

Like St Patrick we are called to our God  
To have faith in our self to grow in God's love  
To be all we can be, to learn all life long  
Together we pray, together we're strong

Like St Patrick we are called to God's Son  
To have faith in each other, To live in Christ's love  
We reach out in love to all sisters and brothers  
And so we are called to love one another

Like St Patrick we are called to be one  
One Faith in the Spirit, Father and Son  
God in our hearts, God with us always  
To live in our faith, all our lives, all our days
