

Life To The Full

*By Andrew Chinn in consultation with
the school community of St John the Evangelist School Campbelltown*

***We walk in peace, we walk in joy
Together in Jesus' footsteps,
towards His Cross of love
In our hearts, to be the Good News we are called
Called to live life, life to the full***

*We walk in peace on our journey of faith
We reach out in love in what we do each day
With peace in our hearts we give hope to the world
People of Peace, we are God's living Word*

*We walk in joy on this journey we share
We reach up in joy share God's love everywhere
With joy in our hearts, we are called to be God's love
People of Joy, in God's love we are one*
