

# ***We Walk in Love***

*By Andrew Chinn with the School Community of St Louis de Montfort's, Aspendale, VIC*

***We walk in love (We are God's children)  
We live our faith (in Jesus' way)  
We are the hope (hope for the future)  
One family- This is our way!  
(We are God's children) We walk in love  
(in Jesus' way) We live our faith  
(hope for the future) We are the hope  
Yes, you and me... One family***

*Called by our God, called to be one  
Welcomed to this circle, called to be love  
Called by God to be all that we can be  
Hand joined in hand children of peace*

*Called by the Cross to grow in faith  
To live like Jesus in everyday  
Love one another as I have loved you  
Called to live our faith, in all we say and do*

*Called by the Spirit to light the way  
Called to be hope, called be the change  
Care for our earth and all creatures great and small  
We must make a difference Reach out to all*
