

A River of Faith

*By Andrew Chinn with the school community of
St Gregory's, Queanbeyan, NSW 2018*

**Welcome to our place,
a place of love and a place of hope
Come and share our journey,
come and seek the truth
Together in God, Together as one
Flowing in faith, this is our school**

**A river of faith flows through us, from those who've come before
The saints of the church who showed us, God's way is a rule of love
Proud women and men of history, built on Steps of faith
So that we may live and grow, in this Holy way**

**This river of faith is with us, as we live and grow in Your way
Called to be all we can be, each and every day
Your loving arms around us in this holy Community
Called by Jesus Christ, to live in Unity**

**A river of faith flows forward, carrying us on in hope
"let us not love with words but with actions and in truth"
Fill us with your Spirit, with courage in our heart
To build a future of faith, in our world wherever we are**
