

With A Faithful Heart

By Andrew Chinn

in consultation with the school community of St Pius, Windsor Gardens, SA

With a faithful heart, we believe in our God

With a loving heart, we welcome all

With a humble heart, together we are one

With a grateful heart, we sing for joy!

We are people of strength, we are strong in our faith

We live by the cross, we live in Jesus' way

We stand for each other, together we are one

Together on this journey, sharing our song

We are people of kindness, we live our faith

With the lamp of God's wisdom we light the way

We reach out to others, with a kind and gentle heart

Being Jesus to each other, wherever we are
